Priests' Pension Fund / Plan de pension des prêtres

3 – What do the priests and the parishes contribute to the Priests' Pension Plan?

The priests' personal contribution is \$1,000 per year. The parish's contribution on behalf of the priest is \$1,500 per year. In addition, the priests receive a taxable mass stipend and 25% is contributed to the pension plan. Last year the pension fund investments grew by 9.8% and in 2012 they grew by 6.3%. These are good returns that help but do not remove the need for assistance from parishioners as we work to our goal of \$1,100 per month. This year, we increased the pension to \$800 per month. An amendment of this nature requires an actuarial valuation for the government, which is an expensive exercise. As we need to provide this valuation every three years regardless, we will adjust the benefit when the valuation is required. The next such opportunity will be at the end of 2016. An element which the actuaries use in their calculations is the life expectancy as this indicates how long a pension is to be paid. Thankfully, most of our priests are living long lives, which is a great blessing, but also means the pensions are paid out for a longer period therefore cost more. We therefore ask for your generosity and thank you for your consideration. Should you have any questions, please contact Deacon Pierre Aubé at (613) 933-1138 extension 25 or Fr. Daniel Van Delst at (613) 932-9226.

3 – Ce que les prêtres et les paroisses contribuent au fonds de pension des prêtres

La contribution personnelle du prêtre est de 1 000\$ par année. La contribution de la paroisse pour le prêtre est 1 500\$ par année. De plus, les prêtres reçoivent des honoraires de messe imposables et 25% est remis au plan de pension. En 2013, les fonds du régime ont augmenté de 9,8% et de 6,3% en 2012. Ce sont de bons résultats qui nous aident mais qui n'enlèvent pas le besoin de recourir à l'aide de nos paroissiens pour nous aider à joindre l'objectif de 1,100\$ par mois. Cette année, nous avons augmenté la rente à 800\$ par mois. Une modification de ce genre nécessite une évaluation actuarielle exigée par le gouvernement et cet exercice est dispendieux. Du fait que nous devons fournir cette évaluation tous les trois ans, nous augmenterons la rente seulement lorsque l'évaluation sera requise. La prochaine occasion aura lieu à la fin de 2016. Un élément qui fait partie du calcul des actuaires est l'espérance de vie car ceci indique le nombre d'années dont la rente sera payable. Heureusement, la plupart de nos prêtres vivent longtemps, qui est une grande bénédiction, mais qui représente un coût plus élevé pour les rentes du fait qu'elles seront payées pour une période prolongée. Nous comptons sur votre générosité et vous remercions à l'avance de votre effort financier à cet égard. Si vous avez des questions, vous n'avez qu'à communiquer avec le diacre Pierre Aubé au (613) 933-1138 poste 25 ou le Père Daniel Van Delst au (613) 932-9226.
