*If someone makes you joyful, then go ahead and share it,
And if it brings an extra smile I'm sure that you can spare it.*

*When there's a disappointment, don't worry, never mind it,
There's so much beauty in the world, just look around and find it.*

*When there's good news around you, don't be afraid to shout it,
For many times our dreams come true
So never, ever doubt it.*

*If you have love within you, don't keep it, always give it,
This life is ours to celebrate, so go ahead and live it!*
