Canadian (CharLan) Foodgrains Bank - This is the 22nd year that the Foodgrains Bank has had a growing project. An ecumenical event supported by local churches: donations are used to purchase seed fertilizer and crop supplies. The crop is sold and the money is used to purchase food aid in areas of the world where needed. The federal government matches our dollars 4:1. To date, our local chapter has raised over two million dollars after gov't matching. On the weekend masses of **June 11th & 12th and June 18th & 19th**, there will be someone collecting for this good cause. Thank you for your continued support.

DAD, today I want to express something that I don't say often enough: THANK YOU.

You are not only my father; you are the friend on whom I can always depend, you are my gift from God.

Throughout the years, you have been the person closest to me who provided support and protection, comfort and care, you are my life companion. You taught me how to be an adult, to be wise and careful and to shoulder my responsibilities.

You could be serious at times but you also knew how to joke and laugh with me. I know that you love me very much. Dad, if you didn't exist we would have to invent someone like you.

I thank you from the bottom of my heart for your understanding, acceptance and friendship, and for all that you mean to me. I thank God for having created fathers.

HAPPY FATHER'S DAY!
