Nous avons besoin des intentions de messe pour les deux paroisses. Vous pouvez faire dire une messe pour un membre de la famille décédé ou pour des intentions spécifiques, ou même pour un membre vivant de votre famille ... S'il vous plaît communiquer avec le bureau au 613-931-1424 ou remplir l'enveloppe brune situé à l'arrière de l'église.

We are in need of some mass intentions for both parishes and for priests that have retired. You can have a mass said for a deceased family member or for specific intentions or even for a living member of your family... Please contact the office at 613-931-1424 or fill out a brown envelope that is in the back of the church.

Some of my brightest friends are the oldest in years, but youthful in how they look at life. One 93-year-old American friend keeps telling me: "Never forget the kid in you - that's where you started!"

I would also like to share with you these two thoughts on feeling younger than you are:

"Youth is happy because it has the ability to see beauty. Anyone who keeps the ability to see beauty never grows old."

"Youth is not a time of life; it is a state of mind; it is not a matter of rosy cheeks, red lips and supple knees; it is a matter of the will, quality of the imagination, a vigour of the emotions; it is the freshness of the deep springs of life."

Time Change
