### TIME FLIES

Whatever happened to Monday? It simply melted away  
And every week seems to vanish – It's due to age, they say!  
I remember places I have been and faces I used to know  
But Tuesday, Wednesday and Thursday, Gone like the melted snow.

So then it's Friday once again with the weekend drawing near,  
And Sunday can be wonderful or boring, dull and drear.  
And so the months keep slipping by and the years will not relent,  
Whatever happened to Monday? It simply came and went!
