Praise God with Songs! Come! Praise God with us in song. We aren't a choir, simply a group of people praying to God through song. Sing with the voice God gave you ... whether it's great or not. We have lead musicians to carry the tune. We meet on the 4th Thursday of the month, at St. Peter's Church in Cornwall from 6:30 to 7:30 pm. Come try it out. **January 26, Feb. 23, March 23.** All are welcome. Please bring a friend. (*we sing in English*).

A girl went to her friend's house and she ended up staying longer than planned, and had to walk home alone. She wasn't afraid because it was a small community and she lived only a few blocks away. As she walked along under the bike trail, Diane asked God to keep her safe from harm and danger. When she reached the alley, which was a shortcut to her house, she decided to take it. However, halfway down the alley she noticed a man standing at the end as though he were waiting for her. She became uneasy and began to pray, asking for God's protection. Instantly a comforting feeling of quietness and security wrapped round her, she felt as though someone was walking with her. When she reached the end of the alley, she walked right past the man and arrived home safely. The following day, she read in the newspaper that a young girl had been raped in the same alley just twenty minutes after she had been there. Feeling overwhelmed by this tragedy and the fact that it could have been her, she began to weep. Thanking the Lord for her safety and to help this young woman, she decided to go to the police station. She felt she could recognize the man so she told them her story. The police asked her if she would be willing to look at a lineup to see if she could identify him. She agreed and immediately pointed out the man she had seen in the alley the night before. When the man was told he had been identified, he immediately broke down and confessed. The officer thanked Diane for her bravery and asked if there was anything they could do for her. She asked if they would ask the man one question. Diane was curious as to why he had not attacked her. When the policeman asked him, he answered "Because she wasn't alone. She had two tall men walking on either side of her. Goodness (Angel 1) and Mercy (Angel 2) shall follow you all the days of your life. Amazingly, whether you believe or not, you're not alone. People will not stand up for God.
