143rd Annual Pilgrimage to Ste-Anne-de-Beaupré and Cap-de-la-Madeleine - August 12-13, 2017. Weekend Celebrant is Bishop Michael Mulhall of the Diocese of Pembroke. The Shrine Theme "**That My Joy May Be In You**". Pope Francis has invited all Catholics to continue practicing the Jubilee of Mercy for 2017, in being merciful to everyone, and as Pope Francis has asked previously, that all Catholics take this opportunity to make a pilgrimage again this year in continuing the Year of Mercy. For more information: Lisa Runions 613-932-3510.

Le 143e Pèlerinage annuel à Sainte-Anne-de-Beaupré et Cap-de-la-Madeleine aura lieu les 12-13 août 2017. Le célébrant accompagnateur sera Mgr Michael Mulhall, évêque de Pembroke. L'équipe pastorale du Sanctuaire a choisi comme thème pour 2017 "**Que ma joie soit en vous**". Le pape François invite tous les catholiques à poursuivre leurs actes de miséricorde et, si possible, de participer à un pèlerinage pour faire suite aux jubilaires que nous avons vécus l'an dernier et qui nous a permis de faire l'expérience de l'amour de Dieu qui console, pardonne et donne l'espérance. I wonder if you have heard the story of the young man and the starfish. One day, at early dawn, he was seen walking along the beach picking up stranded starfish and throwing them back into the receding sea. On being asked why he was doing this, he said that if he didn't, once the sun came up the stranded starfish would die.

"But the beach stretches for miles, and there must be thousands of stranded starfish," remarked an onlooker. "What difference can you make?"

The young man looked at the starfish in his hand, and threw it to safety into the water. "It makes a difference to this one," he replied.

We have so many worthwhile causes asking for our support these days that we might sometimes wonder if our small donations of money and time can really help. Well, remember that young man and the starfish, and then your doubts will surely disappear. And, if you pass on this story, then just think of the chain reaction you might set up!
