If tomorrow never comes

If I knew it would be the last time
that I'd see you fall asleep,
I would tuck you in more tightly
and pray the Lord, your soul to keep.

If I knew it would be the last time
that I see you walk out the door,
I would give you a hug and kiss
and call you back for one more.

If I knew it would be the last time
I'd hear your voice lifted up in praise,
I would video tape each action and word,
so I could play them back day after day.

If I knew it would be the last time,
I could spare an extra minute or two
to stop and say I love you,
instead of assuming you would KNOW, I do.

If I knew it would be the last time
I would be there to share your day,
well I'm sure you'll have so many more,
so I can let just this one slip away.

For surely there's always tomorrow
to make up for an oversight,
and we always get a second chance
to make everything right.

There will always be another day
to say our I love you's,
And certainly there's another chance
to say our "Anything I can do's?"

But just in case I might be wrong,
and today is all I get,
I'd like to say how much I love you
and I hope we never forget

Tomorrow is not promised to anyone,
young or old alike,
And today may be the last chance you get
to hold your loved one tight..

So if you're waiting for tomorrow,
why not do it today?
For if tomorrow never comes,
you'll surely regret the day

That you didn't take that extra time
for a smile, a hug, or a kiss
and you were too busy to grant someone,
what turned out to be their one last wish.

So hold your loved ones close today,
whisper in their ear,
Tell them how much you love them
and that you'll always hold them dear,

Take time to say "I'm sorry,
please forgive me,"
"thank you" or "it's okay".
And if tomorrow never comes,
you'll have no regrets about today.

Pensée de la semaine:

Le fruit du silence est
la prière, le fruit de la
prière est la foi, le
fruit de la foi est
l'amour et le fruit de
l'amour est le service
des autres.

Mère Teresa

Personne ne se
connait soi-même
sans avoir été
éprouvé, et ne peut
être couronné sans
avoir vaincu, ne peut
vaincre sans avoir
combattu, et ne peut
combattre si il n'a pas
rencontré l'ennemi et
les tentations.

Saint Augustin
